Re: **FOIA Request on Behalf of Jonathan J. Pollard**
Ref. No. CRM-201100359F

Dear Ms. Gerson:

I am writing with regard to a Freedom of Information Act request dated June 24, 2010, made on behalf of Jonathan J. Pollard, seeking unredacted documents and declassification information relating to five partly classified documents.

In response to the request, which was originally submitted to the Criminal Division, I received a letter dated September 21, 2011. The letter stated that "the information you requested pertains to records maintained by the Executive Office of United States Attorneys (EOUSA), not the Criminal Division. At that time we routed your request to EOUSA for direct response to you." The letter provides your contact information. We have received no response from your office.

One of the five requested documents is a Declaration of then-Secretary of Defense Caspar W. Weinberger (the "Weinberger Declaration," redacted copy attached hereto as Exhibit A). The Weinberger Declaration reflects (on page 46) that it was executed in 1986. On January 9, 1987, it was filed with the Court Security Officer, who redacted it and designated the redacted portions as classified.

December 31, 2011 was the December 31 of the year that is 25 years from the date of origin of the Weinberger Declaration. Accordingly, the Weinberger Declaration is now

subject to automatic declassification under Executive Order 13526 (formerly Executive Order 12958, as amended) and 32 CFR § 2001.30(l).

We request copies of the following:

- (1) The Weinberger Declaration in unredacted form.
- (2) All documents and records which reflect any declassification review of the Weinberger Declaration, including but not limited to any determination whether or not to declassify any portion of the Weinberger Declaration, and the bases therefor.

We agree to pay fees for this request up to a maximum of \$250. If you estimate that the fees will exceed this limit, please inform us first.

Very truly yours,
